for

August 7-11, 2009

in America's Favorite City,

San Diego, California

The HELM FAMILY REUNION will be held at beautiful Mission Bay Park, at the private campground facilities, CAMPLAND ON THE BAY, where we will be camped next to the gorgeous

Kendall Frost Wildlife Preserve lagoon, just across the bay from the world famous SEA WORLD, where we will see fireworks over the bay every night.

(read these excerpts from their website)

Campland on the Bay's marina has 124 slips, a boat launch and a store. We rent: pedal boats, kayaks, catamarans, pontoon boats, wave runners, aqua cycles, and a ski boat.

Whether your idea of a good time is lounging on the beach, or tearing up the water on a wave runner rental; Campland on the Bay can make it happen.

Campland on the Bay overlooks the Kendall Frost Wildlife Preserve. Here you can catch views of Egrets and Black Crowned Night Heron. This preserve is also home to the endangered Clapper Rail and Least Tern.

All Roads Lead to Central Park! Here's where it all happens; bands, special events and all that other cool stuff that makes Campland on the Bay one of a kind!

Riding Hood Wood Park

This secluded little park overlooks the bird sanctuary and has a beautiful view of the bay. BE WARNED! This park is known to stir feelings of romance in it's visitors.

Huff'n Puff Park

You can play at Campland on the Bay! This park is a kid's paradise. Full of slides, swings, towers, tunnels and all those other groovy gizmos!

All the comforts of home at your fingertips.

Campland on the Bay offers a [Market](#) full of various sundries. We rent; videos, roller blades, quadracycles and bicycle-chariots (it's half bike / half skateboard). We've got a Game Room with over 60 Arcade games, air-hockey, ping pong and a whole lot more. Campland also has a large laundry room.
